Pueblo West - Joe Martinez Trail

Location:

Runs along the whole of Joe Martinez Blvd. The trail will extend to meet 24th street alongside Medal of Honor Blvd.

Identified Need:

No pre-existing pedestrian or bicycle trail connections to give neighborhoods near and along Joe Martinez access to nearby amenities, such as Civic Center Park, or the library.

Project Benefits:

Creates future connection for Pueblo West and Pueblo to connect bicycle networks

Gives local neighborhoods a major East-West trail that connects with planned and existing trails in Pueblo West

Pueblo County- Industrial & Purcell

Location:

Industrial & Purcell Intersection in Pueblo West

Identified Need:

Previously identified as a high-risk intersection along the local High-Injury Network

Project Benefits:

Installation of interim intersection improvements while permanent improvements are under-design

- Installation of protected left-turns for whole intersection
- Signal retiming to provide greater protection during movements

Pueblo County – Aspen Road and US 50C

Location:

Pedestrian improvements installed outside of new Circle K along US Business 50/US 50 C.

Identified Need:

Inadequate pedestrian infrastructure hurt ability to easily walk from adjacent neighborhood to nearby shopping areas

Project Benefits:

Improved Pedestrian connectivity and safer, more visible crossing opportunities to mitigate Vulnerable Road User crash risks.

City of Pueblo – Belmont Improvements

Location:

Installation of Improved ADA curb ramps along Bonforte.

Identified Need:

A 2023 Walk Audit with the local ADA commission identified that Bonforte was difficult to navigate, with sidewalks often terminating into a curb drop-off instead of a slope.

Project Benefits:

Smoother walking and rolling experience for pedestrians along the corridor

City of Pueblo – 4-Way Stops

Location:

Intersection of Hollywood & Farabaugh

Intersection of 15th & Court

Project Benefits:

Improved traffic control around
Parkview and schools

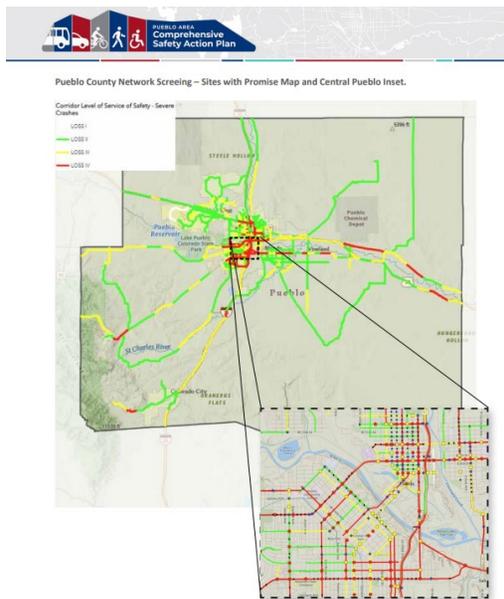

Comprehensive Safety Action Plan

Description:

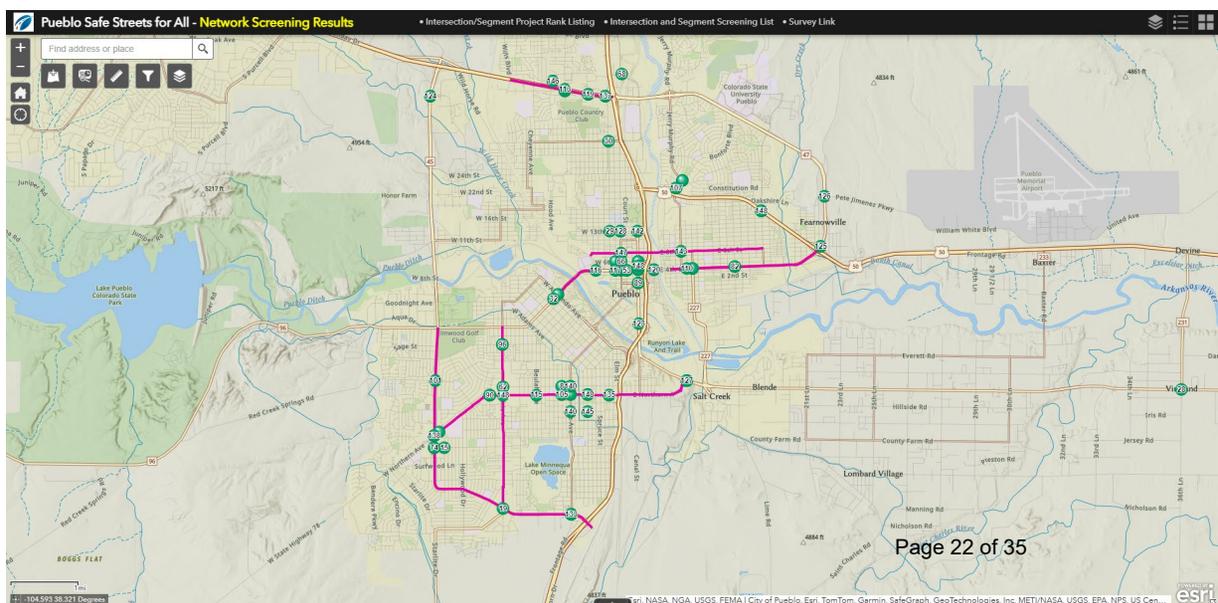

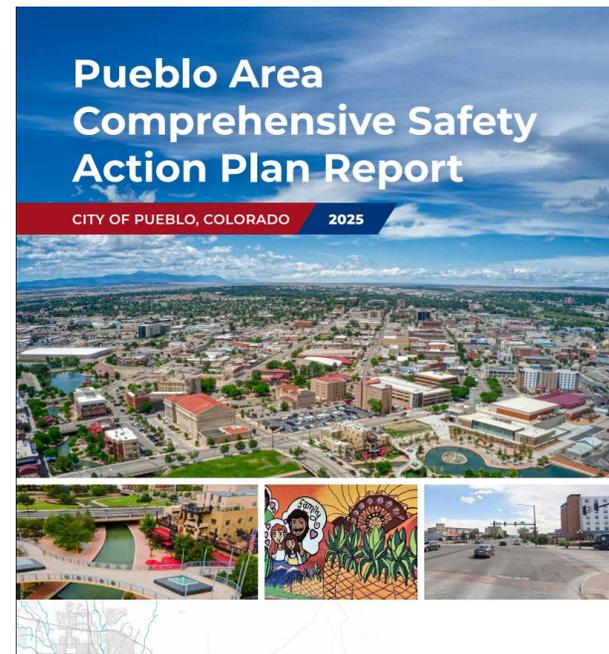

Joint project by the City and County to examine corridors and intersections across the region and recommend cost-variable improvements to lower risk of fatality or serious injuries from crashes

Project Benefits:

- Developed a list of pre-made safety-centered projects across the whole region
- Analyzed driving behaviors at intersections by pedestrians, cyclists, and drivers
- Gave in-depth policy recommendations to improve the region's ability to improve our roadway's safety

27 Pueblo Area Comprehensive Safety Action Plan Report | City of Pueblo, Colorado — 2025

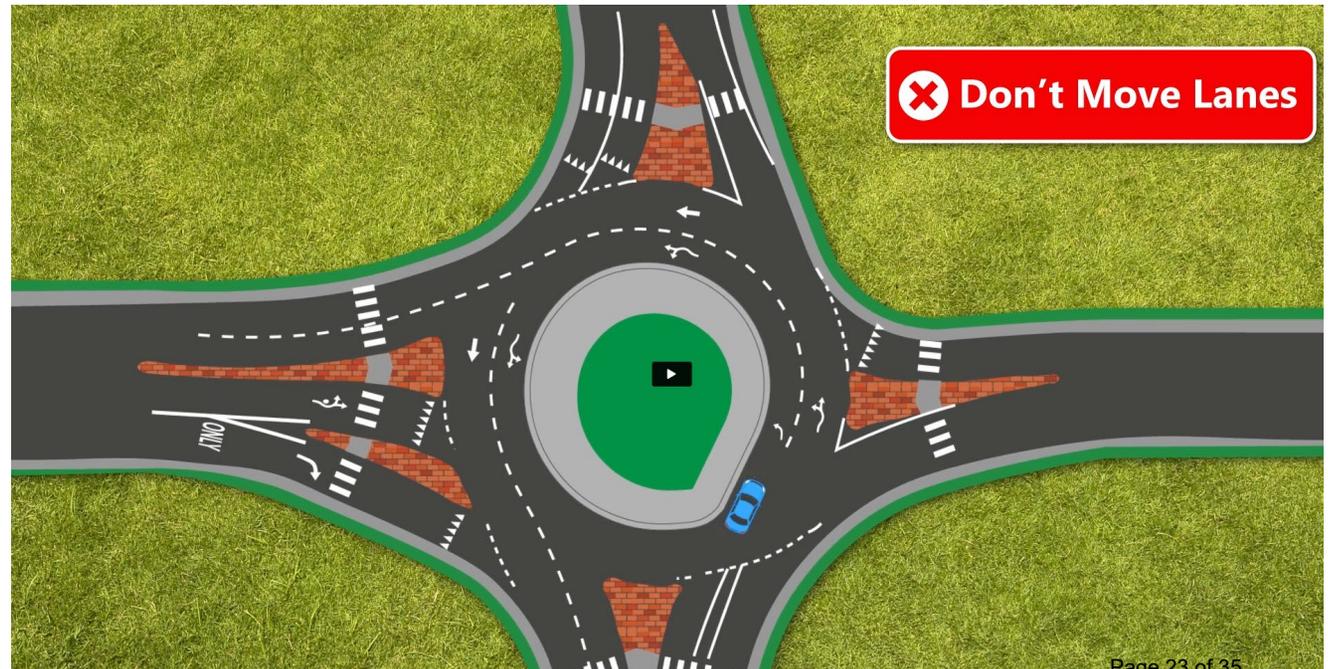

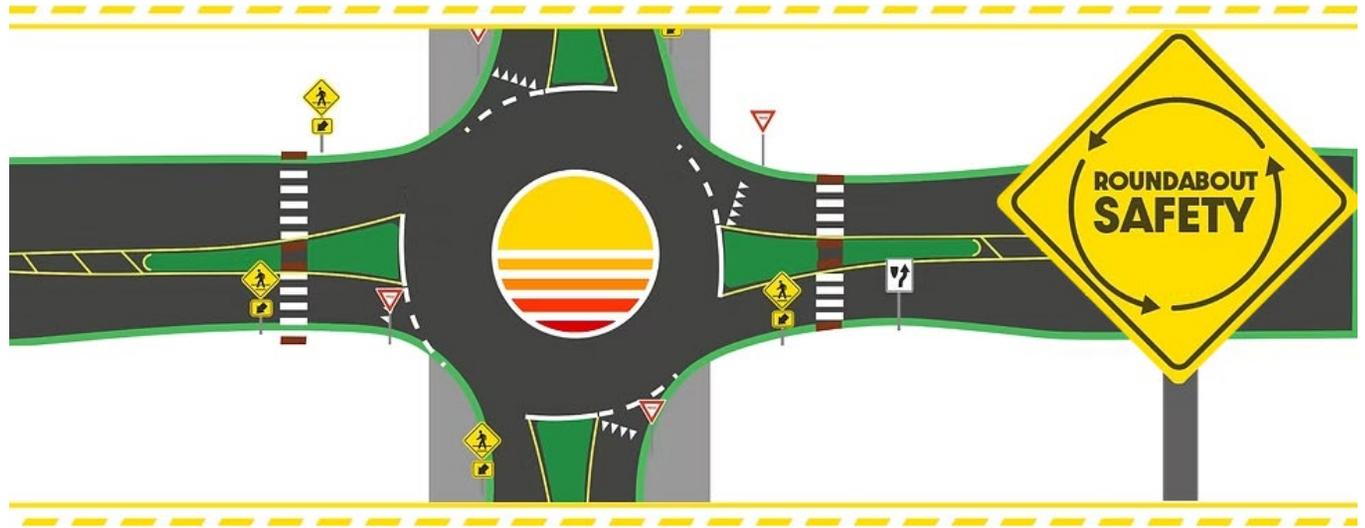

MPO – Roundabout Safety Campaign

Description:

As roundabouts become more common, the MPO identified a drastic need to educate the public on how to safely maneuver through them.

The education campaign created a set of comprehensive tools, videos, and visual aids to help members of the public learn about current and future roundabouts, why roundabouts are important, and to help local departments educate neighborhoods as new roundabouts are installed.

US 50C & Baxter Rd Intersec Improv

Location

US 50C (Bus) (Santa Fe Dr) & Baxter Rd

- Pueblo County
- Pueblo Area Transportation Planning Region
- CDOT Region 2

Description

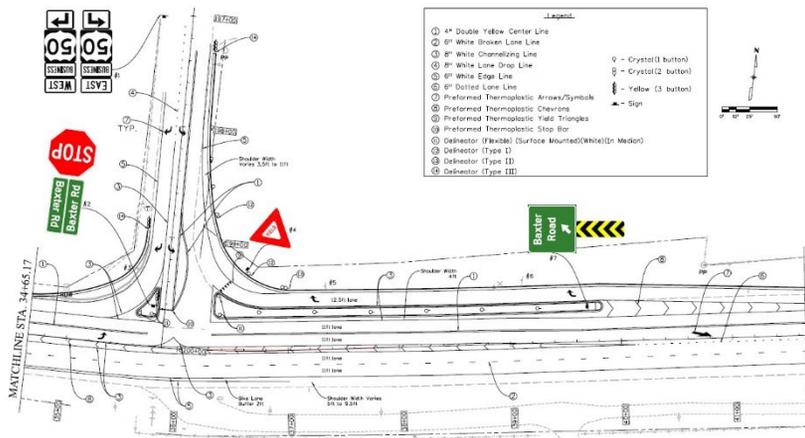

Creates a defined right turn deceleration lane for westbound travel with raised median to separate traffic, improves sight distance by moving stop position for southbound traffic on Baxter Rd, and better define the southbound left turn to eastbound with a acceleration lane and buffer zone. Project also included improving advance signage and added street lighting to improve visibility through the intersection for nighttime driving.

Urgent Need

- Approach turn and Broadside accident Pattern. Did not meet warrant for signal.

Project Benefits

- Safety, increase site distance for turning movements. Reduce speeds through traffic calming median installation.
- Operations, increased sight distance and delineated southbound left turn acceleration lane.

FY25 R2 Rumble Strip Project (MLOS)

Location

CO 78A from Old Ham Rd W to Ventana Cir

- Pueblo County
- Pueblo Area Transportation Planning Region
- CDOT Region 2

Description

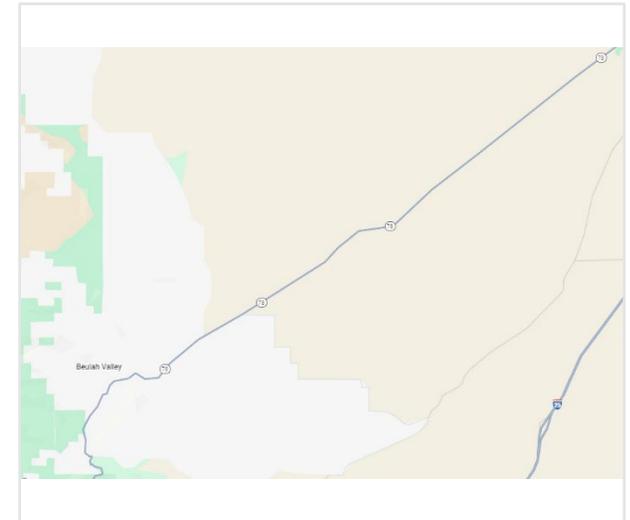

Installation of centerline rumble strips and update existing lane line striping (center and edge lines) to increase retro-reflectivity and visibility.

Urgent Need

- Safety

Project Benefits

- Safety: rumble strips reduce lane departure type crashes such as overturning, fixed objects, sideswipe same, sideswipe opposite and head on crashes

CO 45/Berkley Ave/Lake Ave

Location

CO 45 and Berkley Ave
CO 45 and Lake Ave

- City of Pueblo
- Pueblo County
- Pueblo Area Transportation Planning Region
- CDOT Region 2

Description

Conversion of right-in/right-out only access at CO 45 and Berkley Ave. Extension of left turn deceleration lanes at CO 45 and Palmer Ave westbound and at CO 45 and Lake Ave eastbound and westbound. Construction of right turn deceleration lane at CO 45 and Berkley Ave eastbound. Construction of combined right turn acceleration and left turn deceleration on CO 45 between Berkley and Lake Ave eastbound. Construction of right turn acceleration lane at CO 45 and Lake Ave eastbound. Installation of sidewalk on the south side of highway.

Status

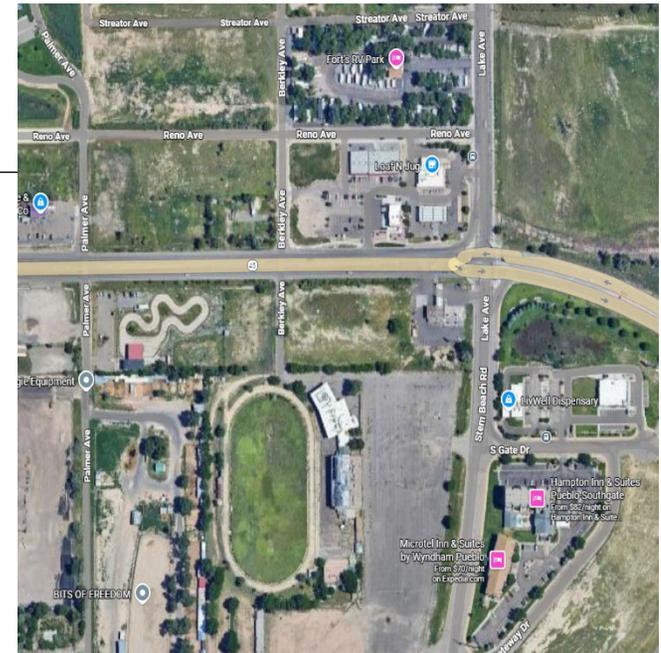

Complete

Urgent Need

- **Safety:**
- **Mobility:**

Project Benefits

- **Safety:** Full movement restrictions, reducing vehicular conflict points.
- **Mobility:** Auxiliary lane construction allow slow turning vehicles to be removed from the thru lanes.

CO 47/Dillon Drive/40th Street

Location

CO 47 and Dillon Drive
Dillon Drive and 40th Street

- City of Pueblo
- Pueblo County
- Pueblo Area Transportation Planning Region
- CDOT Region 2

Description

Lengthening the left turn deceleration lane at CO 47 and Dillon Drive southbound. Installation of right turn deceleration lanes at Dillon Drive and 40th Street southbound and northbound. ROW preservation and escrow payment for future intersection improvements at Dillon Drive and 40th Street.

Status

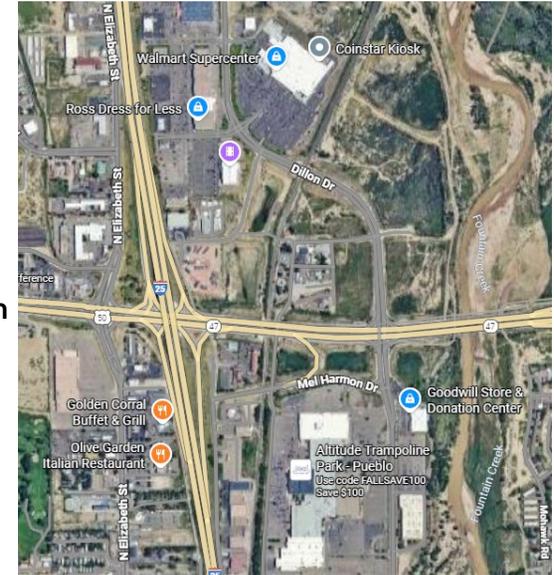

Under Construction

Urgent Need

- **Safety:**
- **Mobility:**

Project Benefits

- **Safety:** Inclusion of auxiliary lanes, improving existing auxiliary lanes.
- **Mobility:** Expanded sidewalks and preservation of existing capacity.

US 50/ASPEN CIRCLE/BENT ST

Location

US 50 and Aspen Circle
US 50 and Bent St

- Pueblo County
- Pueblo Area Transportation Planning Region
- CDOT Region 2

Description

Installation of right turn deceleration lanes westbound into two new fuel station properties and installation of sidewalk along the north side of the highway. Closure of driveways and conversion of driveway to right-in/right-out only.

Status

Under construction

Urgent Need

- **Safety:**
- **Mobility:**

Project Benefits

- **Safety:** Auxiliary lanes remove slowing turning vehicles from high speed through lanes.
- **Mobility:** Addition of sidewalks facilitate additional non-vehicular trips.

US 50 & 25th Lane

Location

US 50 & 25th Lane

- Pueblo County
- Pueblo Area Transportation Planning Region
- CDOT Region 2

Description

Remove existing signal ball indications and replace with red arrow, yellow arrow, yellow arrow

Urgent Need

- Safety, approach turn accident pattern

Project Benefits

- **Safety:** Removed permissive left turn phasing and installed protected / permissive left turn phasing
