June 10, 2024

This letter affirms that the attached FY2025 through FY2028 Transportation Improvement Program (TIP) from the Pueblo Area Council of Governments (PACOG) is financially constrained, based on our current revenue estimates and program distribution. Please be aware that as revenues, policies and priorities change, the availability of funds to the PACOG area may vary. CDOT will work with PACOG to provide transparency through the TIP and STIP amendment processes should changes become necessary.

Sincerely,

On behalf of Jeffery Sudmeier
Chief Financial Officer
